** Completion of University-Wide Requirements and General Education Requirements are subject to final graduation audit by the Registrar's Office. Requirements may change. See current KSU Catalog online for more information. DegreeWorks provides major-specific course requirements and is an excellent companion resource. Consult DegreeWorks and your academic advisor for the most current course requirements for your intended major.

First-Year Advising Requirement

All first-year (freshmen) students are required to meet with an academic advisor twice in their first year. This requirement is enforced with the **FY-Advising Required** hold which prevents registration until you have met with an academic advisor, either in First-Year & Undeclared Advising Services or in the department of your major.

Advising appointments can be made by visiting our website at sss.kennesaw.edu/adv
